“ *Q: How did you meet Denise?
A: I met Jade and Jades father first. As soon as we moved in they were the only people asking us if we needed help and boy did we!
Denise new that I didnt have dinner for us and they had us come down for dinner! That turned into a a wonderful friendship with the three of them. I will always miss seeing her ride up the street to come over on her red chair. She would go to leave and Jade and my daughter would be riding it!! Lol
Denise was a very special person when I met her and she will always hold a special place in my heart. She was one strong woman that's for sure!
So sorry to all the family!
Jade, you did a wonderful job. The urn you got her is so beautiful! And to be able to honor your mother. I know she is looking down so PROUD of you!!
RIH Denise

Karen, Tom, and Kaylee.*
