“ *Dad I miss you much more than any words can say but I'll try...You truly were such a selfless and giving man,when most would have given up you never did.You took care of everyone before yourself all of your life. I want you to know the impact you have had on me.. you always gave me guidance,understanding,and an unconditional love that I wouldn't have had otherwise.You taught me patience and what a father and a man is supposed to be. I miss our talks... I miss your honesty when I needed to hear it most and the hugs you gave me when I was hurting. Most of all I miss your face and your voice. I miss & love you. A lot of people didn't really know these sides of you. I have never known another person who was as kind hearted,forgiving,loyal,and unconditional as you just were. Thank you for always being within arms reach of us all anytime we needed anything.You taught me just as much in your death as you did in your life..lessons of what a real father and a true man should be,you were so strong...I will never forget! I know you are at peace with God and in no pain and that's what makes losing you bearable.Nothing is the same,it will never be as good as when I knew I had my dad..my friend. I want you back...please dear Lord ease my mother's lost,broken heart.Amen.*
