“ wishing you were still here with me. Sometimes this shit kill’s me every day. I’m going through really tough times right now and I could really use my best friend through it all. I know you’re watching over me right now and telling me to stop being a little bitch but I just can’t stop grieving. I love and miss you brother gone but never forgotten. Also I got this tattoo for you about a year ago in memory of you. I love you forever

“ I did not know Devin. But I know his mother who is devoted to Desi and her love is unconditional. I am saddened by what she is going through. Praying for the entire family. And pray Devin is safe in the arms of our Lord. Also praying that his mother is finding some comfort in our Lord’s grace and mercy.

“ Even though you liked to always remind me and tell everyone of my Haagen-Dazs moment when I was pregnant craving i had a complete meltdown over ice cream until you ran out and got me some lol. You were an amazing father to our little girl for 9 years. We will truly miss you. I honestly can't believe you're gone. I can't believe you won't be walking Desi down the aisle one day but I know you'll be looking over her watching her grow up.
