“ Aunt Dee Dee, this just doesn't make sense to me. Ashley and the girls are going to be tore up for a very long time. I promise to be here for them as much as I can, just like when we were kids. I'll never forget your yelling at Ashley. Or at me, for that matter. I'm so hurt that you didn't get to meet my new baby yet. I'm blessed that you were with me Saturday night on my way to work or I wouldn't of made it!! Give Nanny and my other grandparents my love. I know you're giving Heaven Hell. Lol. You're going to be missed beyond what anyone can put into words. You were an amazing woman, a great mother and a wonderful friend and mentor. Rest Peacefully && Fly High. && Send some signs when you get bored up there..! We're all waiting (I kind of got mine., but ,. ldk at the same time.. Ashley really needs you to visit her!!! We miss you. This still isn't real...!!)

“ Rest now Dee....I will always be thankful for you for giving me my sister and nieces.....you always made me laugh....through our situation we never got the chance to actually sit down and have a real conversation guess we thought we would always have time, but the day you passed your best friend and I were talking and she said you are Carrie , Dee talked about you all the time and was proud of you , thank you for that sign. I will continue to watch out for our girls and you know others will too.❤️
