“ WOW , there are so many fond memories of Gram , where would I start ?? Well my favorite memory of Gram would be her calling me in the morning to come drink coffee and play Yahtzee with her before I opened a beer !! She absolutely hated when I drank !! Gram always looked out for me at my worst times in my life !! There were times she fed my children because I couldn't !!! After Gram moved from Armistead I was devastated and knew I had to grow up ! After my mom passed away Gram jumped into action and mothered me like her own !! I will always have and hold wonderful memories of Gram !! I LOVE YOU GRAM and I'm sorry I didn't come see you before you left us ! I will always regret that decision that I made not to come see you !!! You'll forever be in my heart ❤❤❤ !!! I LOVE YOU !!!
