Donna M. Hecky, aged 76, passed away in Baltimore, MD on April 21, 2021. Donna was born to Dorothy and Lynn Barrick in Binghamton, NY in May 1944. She was the beloved mother of Tracy Vickers and Tammy Vickers Taty (Jean-Jacques) and wife of the late James Hecky. Donna is survived by her two daughters, stepsons Michael (Carol) and David (Heather) Hecky, her two brothers Gary (June) and Jerry Barrick, her sister (and best friend) Phyllis Magri and Tina Vymislicky, her grandchildren Jacqueline, Nora, Kaylub, Sarah, Rachel, Matthew, Andrew, and Kevin, and nieces and nephews who will miss her dearly.

Donna enjoyed spending time with family, especially her grandchildren. She had a huge heart and always took the time to listen to people and their stories. In her selfless and humble way, Donna was a “rock” to family and friends. She was a generous person who was loved by many. Her grace, dignity, and perseverance through life’s challenges will continue to inspire those who’s lives she touched. A memorial service and celebration of Donna’s life will be scheduled at a later date.

“ *Tij, your mom, gracefully, welcomed me into your home with open arms. She, also, provided comforting words to my mom when she needed them, although it was an extremely funny situation. I have not forgotten... Ms. Donna Mae, please know that the beauty of your humanity will continue in TJ, Tracy, your grandchildren, family, friends, and generations to come. Love, Ive*

“ *Tammy and Tracey, I'll always remember your mom as the mom who was sure to "make it happen" for her family. I always felt comfortable and welcome in your home and so did my boys. Although, they only met your mom once, they still excitedly tell the story about being driven around the property on the golf cart and eating so much food at your house. Please accept our condolences on the passing of your wonderful mother. Peace and Blessings. Yolanda Sellars and family.*

“ Donna Mae was the typical older sister, bossy, and always trying to get away from the little sister. She was my best friend in all the world (as we grew older) and she was also the go getter in the family. She was self made, to her own tune in life. She had hard times, as we all do, but she persevered any and all trials. I can't imagine what I will do without her.

“ Mom... thank you for such a fun childhood and for giving me and Tammy such a boost in this world. You are the reason I have a fearless spirit. You were the kind of mom who filled up the car with as many kids as possible and who took us all over town to skating, bowling, dance, newspaper routes, go karts, movies, etc... I will always treasure the wonderful memories and opportunities upon which you graced me. Your mother's day baby wishes you could come home... Thank you mom. We love you.
