“ I remember when I was 10 years old (I'm 57 now) and my mom, me, my brother spent several days in a one bedroom apartment with Donna, Uncle Dougie, and Christian and Aunt Donna saying that I was her favorite niece. Lol I was the only one at the time. But all of us cramped in that tiny apartment was a blast, because Aunt Donna made sure of it, she kept us kids so entertained. Aunt Donna you will be missed, but we all know that God needed another beautiful Angel at his side.\nRip Aunt Donna \nLove, Rhonda Eads (Collins)
