“ Aunt Dot's loving heart and embrace were always deeply felt and received. A person whose happiness and joy for living and whose loving warmth for her family and friends never ceased . She truly welcomed all with an open heart . I will miss her and remember all the loving and happy memories I have of her.

“ So many memories, first as a child getting to go and spend a week at the Malvern house in the summers with Beth and Aunt Dottie welcoming me as one of her own. Then many visits to \"the River\" over the years, always with her warm welcome. She and Uncle Lad and entourage in the motorhome arriving to our house in NJ and then KY for pig roasts, year after year, helping to set up before and clean-up after...Her cheerfully being my chauffeur to and from BWI when I would come to visit my parents, even loaning me a car while I was there. Many phone calls over the years, always beginning with \"Hello Dear\". So many memories.....I will never think of homemade cookies or applesauce without thinking of Aunt Dot. Love and miss you! Barb
