

## Dorothy Mae Miller

April 11, 1926 - July 26, 2019

Dorothy (Dot) Mae Miller (nee Kammerer) went to her eternal home on July 26, 2019. Born April 11, 1926 to Walter Norman and Cecilia Jeanette Kammerer (nee Weaver), Dot was the 2nd born of eight children. Dot retired after working many years at Belco Plastics. Dot loved traveling to different places, especially if the travel involved a beach. She was an avid sports fan and loved the O's, especially Manny Machado (because he loved his Mama), and Nascar. She also found joy and amusement in exotic birds she kept over the years. Her favorite pastimes were boating, fishing, crabbing and cooking delicious food for her family. She was most often accompanied by loving family, or two dear friends that predeceased her, Laura Lester and Ernie Knopp. Dot was also predeceased by her husband Glenn Miller, son Garry Miller Sr., grandson Norman Miller, granddaughter Karen Miller, sister Mary Rutherford, and brothers Walter, George, and Robert Kammerer. Dot is survived and will be deeply missed by her sons Mike Miller and Larry Miller Sr. and wife Linda, grandsons Larry Miller Jr. and wife Erin, Brian Miller and wife Michelle, and Garry Miller Jr., granddaughter Amber Zdobinski and great granddaughter Alexis Miller, sisters Anna Morrison and Ruth Minnick, brother John Kammerer, dear family friends, Cindy Zdobinski, Richard Combs, and Sue Dotson, a bunch of nieces and nephews, and her beloved chihuahua Pepe. Dot's was a life well lived. She always found true contentment in whatever life provided. She never complained about having too little of anything and she always wanted to feel necessary. To those who knew and

loved her, Dot was treasured, cherished, and most of all, very, very necessary. A Celebration of Life will be held at Beacon Baptist Church, 5700 Ranelagh Road, White Marsh, MD 21162 on a date to be determined. Condolences can be shared at [www.legacy.com](http://www.legacy.com).
