“ Goodbyes are never easy no matter the case especially if your a man like my Pop. He was a fighter, loved his family and always had a story to tell. I have so many childhood memories of Pop riding his bicycle from Patterson Park to our house on Van Buren just to spend time with us. There's a lot I'll miss about him but I'll miss the \"ask my nurse\" calls from Uncle Eric about Pop. He would always listen to my advice. The only peace that I can rest in is knowing that Pop is in heaven right now in the presence of the Lord and all our loved ones passed. I will miss you very much Pop but it's not goodbye its see you later. Love you always!

“ Pop, I love you with all my heart.. I'll miss our talks about the good old days, way back when we all was younger.. I'll miss our talks about Cowboys and your favorite westerns. I'll miss hearing your voice. I'll miss YOU!! I hope you know how much you meant to me. You raised me like your own, and showed me the true love of a father... and for that i will always see you as my Dad!! Rest in paradise I love you >Brittany xoxo
