

## Elizabeth June Thompson

April 6, 1942 - March 26, 2024

Elizabeth June Thompson, 81, known affectionately as Beth or June to her friends and family, entered into eternal rest with her Lord & Savior at 1:25 am on March 26th, 2024 in Baltimore, Maryland. She was born in Canada on April 6th, 1942 and lived a life filled with love, faith, and unwavering strength.

Beth's journey was not without its challenges; she bravely faced the chains of Cerebral Palsy throughout her life. Despite this adversity, she never let it define her. Her spirit remained unbreakable as she navigated through each day with grace and resilience.

A devout Christian and a passionate animal lover, Beth's heart overflowed with compassion for all living beings. Her kindness knew no bounds as she extended warmth to everyone she encountered. Whether it was offering a gentle smile or lending an empathetic ear, Beth's presence left an indelible mark on those around her.

Beth was preceded in death by her husband Wilford Nelson (Tom) Thompson and her brother Peter. She is survived by her sisters Louise Merck (Anne) & Margaret Ward; cousin Carol (Robert) Kohl as well as many other

cousins and relatives all of Canada; beloved friend Charlotte of Baltimore, MD; and her family in Christ at St. Peter's Church -Beth also had a special bond with Suzee -her precious dog who surely awaited her at the gates of Heaven.

Beth will always be remembered for proving that disability is merely a word – not a person. Her strength and determination were unparalleled and serve as an inspiration to all who had the privilege of knowing her. As we mourn the loss of this remarkable soul whose light touched so many lives, we take comfort in knowing that Beth has been freed from earthly limitations and embraced by everlasting peace.

Services will be private and held at the convenience of the family.

In lieu of flowers or gifts please consider making memorial contributions in honor of Beth to Defenders Of Animal Rights P.O Box 25 Phoenix MD 21131; United Cerebral Palsy [ucp.org](http://ucp.org) ,or any charity close to your heart.

Though our hearts ache with grief over our loss - may we find solace in celebrating the beautiful legacy that Beth leaves behind in our hearts.

“ *My dear sister. i love you so much and will miss you dearly. There are no words. I will miss all the phone calls on Face Time when I looked at the ceiling more till you got your camera set or all the memories we share and you had to remind me because I didn't remember. The times we went for coffee when you were still here in Canada. We had a lot of laughs In the country walking 2 miles everyday foe school and so cold in the winter and Mom would make us wear over stockings to keep warm and we would take them off half was so we looked cool and the kids would not laugh at us. Are legs were red as cherries. RIP my dear you are better place and no pain and with Tom, Suzee and family and Gods care. Love you.*

“ *Ms. Beth will surely be missed. When we took in her dog Suzee we received so much more than anything we could have imagined. Ms. Beth taught me how to take on a huge responsibility caring for an elderly dog, having to go through the experience of euthanasia with one, but more importantly reminding me that God chose me to help Ms. Beth and it has always been an honor and a privilege. We loved her very much and I hope she gives Suzee a hug for me in Heaven.*
