“ *Ellen, aka mom to many including myself was an amazing women. She was always so full of life and so compassionate. She took me in when I was 17 and made me a part of her family. I never ever felt as if I didn't belong. You will be truly missed! Mom.....Thank you for loving me and my family and for helping me become the women. I am today! Fly high, keep smiling and please keep guiding us from the other side! You now wear the wings I always knew you had. I love you,. Love Dor*
