“ My sincere condolences to Emily's family. You don't know me, but I knew Emily and worked with her nearly every day for almost a year. She was an intelligent young woman with a sarcastic sense of humor which I enjoyed. I am so sorry to hear of the circumstances of her passing. She has been in my thoughts since learning of the news, and I truly hope that her family and close friends are able to find healing and closure. Blessings and peace...

“ I'm still in shock. My heart is wrenching & missing you so much, Em. I've done a lot of reminiscing on our childhood & all of the many adventures we had together. I know I'll see you again. I'll always cherish those precious memories. I love you, Emily.

“ A beloved child who stayed with our family often. She was a kind gentle child and taught my daughter how to ride a bike. She spent many days with our family and was always a joy. Many blessings and heartfelt condolences sent to her family and friends.
