“ *I am so saddened to hear of Emily's passing. I was at Herren with her for two months. We talked about Hunter daily, made Dream Catchers together, shared our struggles and love for crossword puzzles. She had the brightest smile, an infectious laugh and the best hug ever (when it was still safe to give hugs). I will cherish her memory and friendship forever. My deepest condolences. Her light will shine on.*

“Earl, Ginger, Eric (& family) & Elliott - We are heartbroken to hear of Emily's passing. She was such a sweet soul. We remember her as a young child being so happy and changing her little bathing suit several times in one afternoon while we were at your pool. When she was at our wedding she acted like I was the princess and I told her that she was the princess, and she really was. We can't imagine the void this has left in your lives. Please know that we will continue to pray for God to give you His grace, strength and peace in a way that only He can give. Take it one day at a time, God will see you through. Love you so much and miss seeing all of you, Nick & Kelly (King) Adams (& family)
