“ Eric, I'm so sorry it took so long to send this. I miss you so much and my heart is still so broken. I lost my best friend, husband and soul mate. I am empty and feel so much guilt because maybe if you weren't alone we would still have you. Our wedding anniversary was so hard but I placed my wedding band with you so you will always have a piece of me with you and we will be joined together. I remember you picking out that band and saying \"I want this wrap because it means we are connected and joined together\". I will never stop loving you and missing you.

“ Son Rest In Peace, the drugs got to you and Chris and I did every thing we knew how to do to get you off of them. You were so very happy on Sunday, before the deed, when you visited me every day 2 weeks before your final day of Monday, June 5,2017.
