“ dad, I miss you so much. When we were driving, you said \“ no matter what happens, I am always here by your side.\” dad I want you to come back you didn't deserve this. I'm not with Michael anymore but I'm living with my best friend. I wish you were here for Thanksgiving. I don't know what I can be thankful for because everything in my life has gone wrong but I am thankful for getting to see you and talking to you before you died. dad, I miss you please come back I need you right now, please. why did you have to go why did you have to leave me?
