### OBITUARY FOR EUNICE WHITE GREEN

November 17, 1932 – August 24, 2020

Eunice White Green passed away peacefully in her home on August 24th, 2020. She was 87 years young. She was the proud mother of four children; Rhonda (Jimmy), Sandra (Richard), Wesley (Cira), and Dana (Mark), ten grandchildren and twelve great grand-children. Eunice spent her life walking with God, loving and engaging in the lives of her family, and always giving to those who were less fortunate. She always put everyone first and was well respected in her church and community.

Eunice learned she was in stage 4 kidney disease early 2020. It would be wrong to say she did not have a desire to pursue a longer life; however, COVID-19 took precedence over the ability to take care of those with other pressing healthcare needs. It is with competing circumstances, Eunice chose to remain the beautifully spirited individual and pursue peace, grace and comfort with God. She wanted her legacy to be in the eyes of each and every person who had the pleasure to know and love her.

There are not enough words to tribute to the wonderful woman, wife and mother that Eunice was. She was extremely private and passed her strength and legacy to her family and friends. Eunice requested to be cremated, but her memory will live on forever. WE LOVE YOU MOM.

“ *She was not only beautiful in the flesh but beautiful in spirit. So many laughs and stories we shared over the years. Eunice was a true faithful friend and sister in Christ. She could not do enough for anyone. Countless times she just to jump into car and bring me some home cooked fresh greens, and we hug and laughed. Times she did not feel so good and never complained but would not stop the love she had in her do for others. I love the lady as those who knew her had to love her sweet soul. I miss you my true friend. See you again and share the peace happiness together in the Lords House. Sorry for our loss, but happy for heavens gain.*
