“ *In Loving Memory of My Beloved Father*
A father's love, a bond so strong,
Yet distance kept us apart for so long.
Though our meetings were rare, and moments few,
The love between us remained forever true.
In the spaces between, our hearts found a way,
To connect, to love, to brighten each day.
Though physically distant, our souls intertwined,
Leaving precious memories imprinted in my mind.
Your presence, dear father, was felt in my heart,
A guiding light, a constant impart.
Through fleeting visits and scattered embrace,
Your love left an indelible trace.
I'll treasure the moments, however few,
For in them, our love beautifully grew.
Though our time together was painfully short,
The love we shared will always transport.
As I bid you farewell, with tears and a smile,
I hold onto memories, cherishing each mile.
You may be gone, but your love remains,
Etched in my soul, forever it sustains.
Rest peacefully now, in heavenly light,
Knowing your love made my world so bright.
In the depths of my heart, forever you'll be,
My beloved father, always with me.
With love and remembrance,
Your Daughter **Brittney Haith**
