“*Eric shatzer and family. Flo will be missed greatly by all who have had the chance to meet her. Childhood memories of visiting a home full of love and lots of fun. Dad was always so happy to go to the todd's home, he really enjoyed time with flo. Im sure shes still laughing about the time i ran out the sliding back door thinking it was open and the screen door was closed. Prayers go out to all the family. I will always cherish the memories.*
