

## Frances Paulette Valiquet

February 11, 1945 - February 11, 2021

Frances Paulette Valiquet – nee Ridgeway. Born February 11, 1945 to Ralph and Helen Ridgeway. She always went by her middle name Paulette. She was always very active in many activities growing up, but especially the United Methodist Youth Fellowship (UMYF), which still holds a reunion every year, and she faithfully attended. She was also a Licensed Registered Respiratory Therapist in the state of Maryland.

She loved cooking, gardening and feeding the birds. In her retirement she majored in Horticulture and obtained certification as a master gardener. She had a passion for flowers and trees. Every spring she would have a beautiful garden with many bird houses uniquely placed among the trees . She always wanted to make sure the birds had a home and food to eat. She loved the magazine Birds and Blooms. She was very loved by her family!

RE

“ *We last saw Paulette in October during an outside visit. Even though it was cool out, she managed to smile. Sure will miss her!* ”
