“ Thank you for the many laughs & great memories throughout the years! You will be missed dearly. I'll never forget the many life lessons, band practices, the many animated stories, & the unforgettable quote you use to say when the old candy store was closed; “ They roll up the sidewalks around here by 6pm”. 🕒 I loved how you resided on the right side of the brain. Your art & creativity was inspiring. May you continue your soul journey with nothing but love & peace. Love you Uncle Frank
