“ Frank, I never even knew you left. I saw in you what no not many saw. I saw a beautiful child of God who was lost in a world who doesn't know how to love. I do wish you would have called me when you got out. I loved you like a mom. I pray for your soul that you have found peace and ask the Lord to forgive because you knew not. I love you Frankie Dowling III. May God have mercy on us all.
