“ To Cindy, Amy, Kodi, and Sammi I send my deepest condolences. I know how much you'll miss him and his wonderful smile and laugh. I know that I will. Rick embraced life to its fullest and had so many talents and eclectic interests. I enjoyed talking to him and was always amazed at his vast knowledge in many areas. This was indeed a man who had a thirst for learning. And, getting to take a car tour of Baltimore with Rick and Cindy was a treat I'll never forget. That was the finest tour we'd ever had of any city, partially because of Rick's deep love for the city and his incredible memory of things from years ago. Rick will continue to live in the hearts and minds of everyone who had the great privilege to know him.

“ Cindy, Amy, Kodi and Sammi we are sending hugs and more hugs. Rick meant a lot to us and we will miss him so much. He made a golf cart ramp for us and every time we drive that cart over it we will think of him. We will miss his smile, his laugh, his funny clips on youtube and his dance moves. He was a great friend who will always be in our hearts. Cindy & Ray H.
