“ Pincherbug, where to begin? What an incredible man, husband, father, grandfather, great-grandfather, everything. I feel so blessed to have always had you around, ever since I was a child, seeing you walk down Roland Heights was the highlight of the day. Fast forward, you became my grandfather in law, and then a great-grandfather to my baby girl. You always showed such love and care to everyone and definitely left your mark on our hearts. I know you're in Heaven, rejoicing with family and friends who passed before you, and I know you are also watching over your family who you loved so dearly down here. Now, don't be causing too much trouble up there!! I love you, Pincherbug. Jordis says “I you, Poppy”. Rest well.\n-Megan Kates
