“ *My name is Andrea and I am a window clerk at Bryantown Post Office and Mr. Howie would come in and talk with me and always brought me candy. Mr. Howie was a kind soul and I truly enjoyed my time with him whenever he came to pick his mail up. I will truly miss Mr. Howie*

“ *Mr. Howie was an amazing teacher and mentor to me at an important time in my life. He taught Problems of Democracy at Crossland High School . He showed how wit and compassion could shape minds and enrich the lives of students. He introduced me to my first political campaign : supporting the first run of his longtime friend the honorable Steny Hoyer (state house) . He loved his family and took a personal interest in helping students with life challenges outside the classroom. I regret losing touch after my college years when I left the State . He always was a voice in my head and a smiling redheaded hero in my mind. RIP forever grateful. Nancy Wilson Class of 1969*
