WE

“ We became friends while working at Allegheny Airlines. We were best of friends in our younger years. We had many good times together. To show how much they were, and still loved they became “God Parents” to our daughter Holly. Unfortunately, life responsibilities and years created distance in our relationship. We will always love & miss you. Rest In Peace Wayne. Sharon and Bill

“ Wayne and I worked together at Allegheny Airlines up through its becoming UsAirways. My wife and I socialized quite a bit with Wayne and Pam back then. We always had fun, laughed, and enjoyed their company. It’s been many years since, but I have fond memories. Rest In Peace pal.

“ Deepest Condolences to the Scott's family. Wayne had a great way with the children on the bus. Will be deeply missed by us all, Anne Arundel county public schools. Keep the wheel on the bus rolling until we meet again.

“ *Mr Wayne is truly a special human. Not only have I had the pleasure of working with him previously, he was also the bus attendant for my nephew for that last several years. He was such a gentle soul who saw the best in all and loved everyone. Always smiling and making everyone's day better. The world was such a better place because he was in it. Mr Wayne- you will forever be missed and no one could ever replace you. William has been so upset and the first couple of days was extremely hard getting on the bus. Until we meet again my friend.....*
