“ Harold was a great guy and a good friend of mine for the past 15 years or so. We had a good time getting together for motorcycle rides or just hanging out when time allowed. He will be missed by many.

“ Dad, your HOME will always be here with us. I always remember how you danced around the living room. I keep your corny jokes with me still to this day. Austin has memories with you in Ocean City, that he will carry with him! Pray you're resting peacefully and continue to watch over us all! We love you forever!
