“ *Wow I just found out about Helen's passing. It really came as a shock. No one informed me of this and it has been a year. Typical. Sorry to hear of her passing. My condolences to all. .*

“ *I grew up with the Mullen family. Helen's brother Wayne and her sister Colleen were my friends. I remember when Helen was born. Helen and my sister Penny were lifelong friends since they were youngsters. My heartfelt condolences to the family.*
