“Holly was a nurse that worked daily with our agency. We will remember her for her bright personality, funny remarks, and uncanny ability to tell it to you straight up. She often spoke to us about her grandbaby, fondly nicknamed \"fat boy,\" and would send us in photos and stories of the time she was able to spend with him. The entire Favorite family is grieving the loss of one of our own. We send our deepest sympathies to her family during this very difficult time.
