“ About 6 years ago, when Jake was at Al Packer Ford, Jake prayed the sinners prayer with me to receive Jesus in his heart and Jake was born again. For any one that knew Jake before this event, know that it was a miracle for Jake to humble himself and confess that he was a sinner. If Jake can get saved and spend eternity with Jesus know that any one can comitt thier life to Jesus Christ and spend eternity with Jesus and all that love Jesus for whaat He did for mankind. . I knew deep down inside Jake's heart, he was a good man and God was gracious to him for his heart. Thank You Jesus for paying the price for out sins. Jake, see ya in a little bit Amen and Hallelujah! Praise the Lord
