

Jacqueline Cox

October 24, 1951 - January 2, 2022

Jackie was called home January 2, 2022 at the age of 70. She was born to parents Eloise Shaw and Charlie Cox in Cumberland County, Fayetteville, North Carolina. After her mother's passing she was adopted and lovingly raised by Flora J. Cox. As part of a military family, she has lived in several places but called Washington D.C. and finally Upper Marlboro, Maryland home. Jackie never married or had children and with the exception of one recently deceased sister is survived by four siblings, seven nieces and four nephews and their children. She had a great love of music and attending concerts and enjoyed baking, gardening and arts and crafts. Those who knew her well knew that she always spoke her truth and loved those who shared her life throughout the years, deeply and fully.

“ I came to this page to \"share my memories\" several times but emotions kept taking over. Being your baby sister has always been wonderful and we shared love and many laughs. Remembering the time we had to watch the new house in NC with the MD attitude!!! Also remembering all the crab cookouts and stomach hurting laughs we shared!!! .. There are tooooo many fun times to list.... I will miss you to the moon and back but believe me I will always carry you with me... Love you Jackie❤️❤️❤️

“ I remember my Aunt Jackie when she would baby sit my sister, and I when we were little. Lol. We just recently reconnected last year when she came over my house with her other sisters, and we had a great time. I thank the Lord JESUS CHRIST for allowing me to minister to her while she was in the hospital the last year. She accepted JESUS CHRIST into her heart.

“ For more than 50 years, you have been my sister, my friend and lifetime partner in life and crime(lol) You were with me in the best of times and the worst of times and we have had more shared experiences in our lifetime than two people could ever expect. You were my sounding board and counselor when I needed it and I was yours and we were both stronger and better because of it. One of our close friends said it best, people who knew us well rarely mentioned one name without the other. Our memories are endless, there is hardly anything that does not remind me of you. I will miss you forever. Until we meet again, hold the gate for me.
