“ I just heard of Jackie's passing. I admired how she handled her caregiving for the people in her life. Even when she was having a difficult time, she always found a silver lining in it. When my time came to be a caregiver full time, it was her example that led me. She is missed.

“ Jackie and I met in college and there began a life-long friendship. She was one of the kindest, generous, loving people to ever grace this earth. I have so many memories that I will always cherish.

“ Jackie was a lifelong and very caring friend. We met in college and grew to know each other well in law school and remained friends in the decades that followed. Jackie was always available to talk and listen when times called for those moments and as well provided a professional view regarding work issues. She always remembered birthdays and anniversaries. Jackie was a very dear friend who left us all too soon. We miss you.

“ I work at the animal hospital Jackie used to bring her fur-babies to. Specifically, Jamie and Zachary. Zach and I had a special bond, I loved him dearly. He would medical board with us while Jackie was taking care of personal things. I miss his little bark. Jackie was the sweetest woman, ever and would have used every dime she had to care for her pets. She would stop by the hospital just to bring Zach to say hi to me. Her words were, “you are his main squeeze.” I was and am still so heartbroken over the news of Jackie and Zach, I just hope and pray they did not suffer any pain. They will always be in my heart and thoughts.

“ Jackie was married to my brother for several years but unfortunately we had lost touch over the years. I remember her as a very generous person who had a great energy for her work. I am very sorry to hear about her passing, she was a very kind spirit.

“ Jackie was married to my brother Ben for many years but she was much more than a sister-in-law to me. She was, and is, a sister of my heart. I love her dearly and miss her terribly - along with all her little furry friends. I will never forget her.

“ Jackie was the most wonderful and caring person who loved her puppy and kitty rescues more than anything. She was a huge supporter of animal causes and a wonderful volunteer AND supporter at the Life4Animals Thrift Shop. She stopped in daily, always with her Puppy companion, Zachary, whom she loved dearly. We will miss her seeing her.
