“ I knew Jim my whole life, since the day I was born. His parents were like grandparents to myself and my 2 sisters. He was like a brother to us. I am heartbroken to learn of his passing. We kept in touch on holidays just to wish each other well. He was 11 years older than me, but I loved his sense of humor, twinkling blue eyes . Had the pleasure of dancing with him in our younger days and wish I could do it just one more time. We all from your hometown will deeply miss you and love you forever. Your good friend, Linda Brennan
