

## James "Tony" Frazier

July 4, 1971 - August 6, 2025

James Frazier (aka Tony), 54, a beloved Son, Brother, Uncle, Father and Grandfather from Silver Spring, Maryland, sadly passed away on August 06, 2025.

He loved his 2 Dogs (Boomer and Big Boy) along with his family time and time with friends, Fishing and Playing a Round of Golf when he wasn't working which he's done all his life from delivering papers and as kid to working in restaurants, selling vacuum cleaners door to door, driving trucks and ended as Building Project Manager on Commercial & Residential Properties.

For all that knew Tony, he was all heart, the kind of man that "would give you the shirt off his back" and never judgment and had a contagious laugh and presence that could light up a room. "He's always had that Charm to his personality."

Preceded by: Father, David Frazier, Grandparents, Marion and Joseph Smith, Charlotte and Charles Kuster, Grandfather, Martin Lepkowski and Uncle, Michael Kuster.

“ *Oh Tony. Some of the fondest memories I have are with you. Core memories. I thought there would be more time. I've told my daughters about you a hundred times and how no one played like uncle Tony. No one laughed with the kids like you did. I felt the light in me get brighter every time I saw you. I hoped the girls would meet you one of these days and you could see how they were just like their mom. I can hear your voice in my head as if I know exactly what you'd say when you met them and when I saw you again after so long. You are so loved and so missed. Thank you for all the love. It was so warm and kind and I'll carry it with me always. My deepest condolences to everyone who had the privilege of having Tony in their lives.*
