“ *Mr. Jim, Its been a long year and half since you left us. Things have been really tough at times for everyone. I want you to know how very much you are loved and missed. EVERY DAY! I know that you are watching over everyone and sending your love and strength to them. Its been resolved in court. The person that caused this pain is being punished to what is accepted and now everyone can move on from that pain. That has been long and drawn out. The time to heal has come. I know you will continue watch. you are missed and loved greatly. Rest Easy now. Patti*
