“ I could not believe I was reading this this morning. Jimmy died? Jen and I go way back. We used to hang out with Skeetz, Earl Phillips. We'd go to the races on the weekends. We helped with the race car. I remember he lived on Lombard St. In Baltimore. My brother Roy was a good friend also. I am so sorry for your loss. Joan. 🙏🙏🙏 Jimmy and I were friends on Facebook too, after I moved to North Carolina, 10 years ago. He was honest and I cared a lot for him for that also. He will truly will be missed❤️

“ My Uncle Jimmy was more than an Uncle to me, He was like a dad. I have soooo many Great memories with him , Aunt Joan & Abby. Every year they took me to Ocean City Maryland & I will always cherish those memories. I remember driving with him in the Blue Mimi van & yelling that people don't know how to drive lol. & when we started singing to his Yes or Pink Floyd he told us to stop because we were ruining the songs lol. I remember him teaching me how to ride a bike. He was such an awesome person inside & out. He will be greatly missed from us down here, but I know he's at peace & not in pain anymore & he's with his mom(my grandmom), His Brothers Johnny, Jerry, Robert & his sister Libby. I hope we all find a way to heal our hearts & pain & Always keep him loving memories in our hearts. Love you & Miss you Uncle Jimmy. Thank You for always being there for me. ❤️❤️

“ Jimmy loved my sister Joan for 46 years. He's been a part of our family a long time . He always gave me his real perspective on life, and we laughed about our life and times through the years. Jimmy was real. I love and will miss you Jimmy. You are in my heart with all my loved ones who are in that big celestial lodge in the great beyond. Rest In Peace Jimmy.
