

## James William Ruth

September 4, 1956 - January 22, 2024

It comes with heavy hearts to announce the passing of James William Ruth Sr, who passed away Monday January 22nd, 2024. James would have been 55 Feb 4th

James is survived by his Wife Doreen Ruth, his son James & step daughter Shannon, sisters Angela Sherburne & Amanda Ruth, many nieces and nephews, and his German Shepard Lou. Who all adored him. James was as tough as nails and had a mean streak like a badger, despite that he also had a big heart. He was caring beyond what would be expected. He was dependable, he would give anyone the shirt off his back. He liked rock music, working on cars, wrestling and animals most of all. No services will take place as James would have wanted, we appreciate your love and support during this difficult time. Instead we want to share these words as we believe they would accurately express how he felt. "Please do not mourn for me. for from the pains of this world I am free, and those I've lost I can once again see. Though I've passed from this world. I'm once again in good health. Hold on to the love for me that you've once felt. Remember my strength and the memories we've shared. Lay me to rest knowing that I'm finally at peace, and now home with mom."
