“*Jamie and I didn't see each other often. When I did have the pleasure of running into her she was always ready to squeeze you with her what I like to call her "vice grip" hugs. Jamie you will be missed terribly.*

“*I can not begin to imagine the loss you (Jamie's family) are feeling. She was one of my best friends and I can not understand why something like this happened. I am so sorry for the pain this has caused, but I am thankful for the light she brought to this world for her time in it. I know that the world was a brighter place because of Jamie. She lit up the darkness.*

“*My deepest sympathies go out to you and your family. May God give you the comfort and peace that you seek and may Jamie's soul rest in peace. She was my friend, and I will miss her terribly for the rest of my life.*
