“ *My beautiful Aunt Snookie, I lost touch with you over the years due to changing phone numbers and had just come across an old number of yours to reach you when I heard the news. I hate that I didn't get to talk to you again. You were the sweetest person I know always kept up with me and my family. I look at the snow globe often and always think of you. You stayed the week with me and we visited the OKC bombing site. When we were leaving you came out of the gift shop and handed me the snow globe to keep as a reminder of our great week together. Praying for the family and I know Aunt Snookie will be watching over all of them just as she did in life. Love and Prayers, Selina Beshirs (Page) & Family*

“ *Jan was so kind and will be so missed here at the Westminster Overlook. Bingo will never be the same without her hollering out “Bingo” when she really didn't have bingo. She was fun loving and loved being a Mi Mi. She bought me this sign at Christmas since she knew I was a Mi Mi as well. It will always be a part of my home, just as Jan will always be a part of my heart. God bless you Jan. You are in the best hands ever!*
