“I love you so much, Jarrod. Since I was a small child you were always my protector and closest friend. My childhood was full of laughter and smiles with you. I remember sneaking snacks under the table with you, playing countless games, and you making me wear a helmet when I rode a bike. Growing up you were my adored older brother. You are one of the most loving people I have ever known and I'm so grateful you are my brother. I can't believe we have to live without you. I will always carry you with me. I love you, Jarrod.
