“ Another bright light in the family has gone out. Have so many fond memories of Aunt Jean from Eaton Brook, Hamilton and Lake Murraine. I always loved her warm smile and laugh and how she could always make me welcome and at home. She had a very special place in my father's heart as well - he truly loved his big sister. Looking forward to reunion day when our Dear Lord and Saviour takes us all home so we can all be together again. 1 Thessalonians 4:13-18.

“ Jean's spirit and sense of humor is remembered when her "bowling buddies" are together. We are always repeating her quips about how well we bowl. Precise with her score keeping, she kept us on our toes. She was a part of many activities here in Hamilton. Jean will be missed! Lauren

“ Ann & Priscilla, you are all in our thoughts and prayers. We are so glad you had your mother for so long, especially these last few years. Your family was an important part of our life those years ago. Do keep us posted as arrangements are finalized?
