“ A favorite memory is from June 1967 when Jeff took us out on the boat he had so beautifully restored. After spending the night on the water, we headed out on the Chesapeake Bay. On the way to Annapolis the trip got a bit exciting when Jeff suddenly had to change course to avoid a Navy Picket boat. (A humble apology soon came over their loud speaker!) We all had a good chuckle , then went on to Annapolis, where Jeff treated us to lunch at a wonderful seafood restaurant.
