

Jeffrey David "Jeff" Devon

February 28, 1959 - November 8, 2023

It is with profound sorrow that we announce the death of Jeffrey David Devon, "Jeff," age 64, on Wednesday, November 8, 2023. Formerly from Colgate, he was a graduate of Kenwood High School. Jeff enjoyed traveling the world fly fishing, tying flies, scuba diving, motorcycles, listening to music and basketball. He was kind and had a disarming personality. He was a committed father, son and brother, and a dear friend to many. Preceded in death by his parents Donald, Sr. and Evelyn Devon. He is survived by his son, Liam J. Devon; sister, Marsha Driscoll; brothers, John and Donald Devon, Jr.; and numerous aunts, uncles, cousins, nieces and nephews. A small private memorial service will be held for family members. He will forever be in our hearts, and dearly missed. Until we meet again.

“ I always enjoyed when Jeff and his family would come to our house and we'd all eat, drink and be merry! He was a very nice man. He enjoyed fishing with my father and they went on many fishing trips together. He will be so missed by his family and friends.

“ This is Jeffrey with our son Liam in 1999. He deeply loves his son. I miss my dearest friend immensely. We enjoyed so much adventure in our lives. I wouldn't have missed a minute of it. Not for all the world. I love you Jeffrey. Until we meet again.

“ Jeff and my late father met at Tochterman's in the early '90s and became close fly fishing buddies. He eventually started visiting us in in the Tampa Bay area for fishing trips, and by the late '90s was regularly bringing along his then-girlfriend Sandi. \n\nAs the years went on, their son Liam was born, and by now it had become a tradition to welcome their family into our family. \n\nIt was an honor to know this man who was taken from us way too soon. R.I.P., dear friend, and I just know you and Dad are fly fishing together in heaven. My deep condolences to all his family and friends in Maryland, especially his young son, Liam.

“ I knew Jeff from Colgate as we both grew up there. It was the early '90s when I ran into Jeff at Tochterman's where is was working. I told he my fishing saga in Thurmont where you had to have a fly rod to fish for trout, as I could get an ant on a hook! Jeff sold me my first fly rod, an Orvis Rocky Mountain 8.6 ft, 5 at that he taught me to cast a fly rod in the alley next to the shop.
