

Jennifer Nicole Noakes

July 13, 1984 - February 1, 2021

Jennifer Nicole Noakes passed away in Parkville Maryland unexpectedly on February 1, 2021, she was Born on July 13, 1984 in Baltimore, Maryland. She is survived by her Son, Damion Austin Noakes, her Daughter, Kailyn Julianna Jennings, Kailyn's father Keith Jennings; her Mother, Shirley Elaine Bottomley; Sister, Stephanie Marie Noakes; Grandmother, Joyce Shirley Lulie; Aunts, Deborah Koenig, Donna Ritter, Sherry Atom; Uncle Kenneth Bottomley, Nieces, Raeann Noakes, Riley Barker, Kyla Noakes. She is preceded in death by her Father, Raymond Irvin Noakes; Sister, Emily Elaine Bottomley; Uncle, Michael Bottomley; Aunt Terry Noakes; Cousins Terry Wildberger and Raymond Care.

Jennifer attended and graduated from Franklin Senior High School in Reisterstown, Maryland. She was such a beautiful and kind hearted person and loved life. Jen surely became a mommy's girl, and she loved her sisters and children dearly and loved spending time with them. She was a loving Aunt to her nieces, and they loved her very much. She was also very close with her cousins. As a young child Jen was very needy and wanted lots of attention and needed to be assured she was loved, that carried on into her adult years. When she was a teenager she was very outgoing and spent a lot of time hanging with her friends. As she grew older and became a mom, she stayed more to herself and spent more time with her sisters and her nieces, but she

never forgot about her friendships and spoke of them often. Jen was always so appreciative of the smallest of things in life; she loved shopping, her hip hop music and loved food - especially if someone was cooking for her or she was going out to eat. Jennifer was loved by so many and her sudden passing has left behind many broken hearts, especially her family's. Jen is going to be sadly missed by her children, mom, sister, grandmother and everyone who knew and loved her. Jennifer you will FOREVER live in our HEARTS.

Goodbyes hurt the most, when the story was not Finished.....

Life is so precious, be grateful for every second of everyday you get to spend it with people you love.

In Honor Of Jennifer: Her family asks that you please hug a loved one or a friend and tell them you love them, for tomorrow isn't promised.

“ I just can't wrap my head around this, My heart is broken. I knew something wasn't right when I didn't hear from you. You had such a gentle soul and were maybe my only true, genuine friend. I wish I could have helped you more, or prevented this, I'm so sorry Jen! Life wasn't easy for you and you still spent your days trying to help others. I love you and I'll miss you always.

“ *The First Time I Ever Saw Your mother brought you to Texas after I had moved here. You were just a little girl in your Walker. You've grown into a lovely beautiful woman and have beautiful children of your own now. I had a picture of you when you were little girl and I showed it to you and you asked me to send it to you because it looks just like Kailyn. She is your twin. I never got to watch you grow up. Please know that I love you. You are missed by all of us so much. I know that you are in heaven with your sister Emily. Rest in peace my beautiful nieces Jennifer and Emily I will never forget you. Sending all my love from your Aunt Sherry*
