“ Missing my sister Jenny more and more each day that passes. But knowing you are finally at peace and no longer suffering is amazing Every passing day brings me closer to missing my sister Jenny more and more. But knowing that you are finally at peace and no longer suffering is truly amazing.
You will never be forgotten! Forever in our hearts! I find myself missing my sister Jenny more deeply with each passing day. Yet, the comfort of knowing she is finally at peace and free from suffering brings me solace. Every day draws me closer to her memory, but the thought of her tranquility is truly wonderful. You will always be cherished and remembered, forever in our hearts.
