“ I love mr. Jerry. He had such an amazing smile and he was so sweet all of the time ❤️ And every time I would go through the kitchen doors at Milts with a tray he poked hold the doors for me . That really sticks with me that really meant a lot to me. To some it may sound small but not everyone thinks enough about you to do that and he was always sweet enough to do that for me. I already miss him so much . I didn't know him for too long but he left a life long impression in my heart . ❤️ May he Rest In Peace and he will forever be missed. Xoxoxox

“ Jerry Senior and Jerry JR used to come to Virginia along with Elaine and the girls when they were little. Between the two Jerry's I never laughed so much in my life. Jerry had the greatest laugh I have ever heard. He love goofing around getting people to laugh and be happy. I live this family so much. I truly will miss Jerry.
