“Peace, my heart, let the time for the parting be sweet. Let it not be a death but completeness. Let love melt into memory and pain into songs. Let the flight through the sky end in the folding of the wings over the nest. Let the last touch of your hands be gentle like the flower of the night. Stand still, O Beautiful End, for a moment, and say your last words in silence. I bow to you and hold up my lamp to light you on your way. ~ Rabindranath Tagore As for me, I have no more words, they are adrift with the wind, they smolder and rise like a wisp of smoke from a candle extinguished. Time now only for tears.

“Thank you, my beautiful and precious friend, for giving me the chance to have an older, wiser sister; for a lifetime of laughter; for teaching me silence and forgiveness and courage; for bringing beauty and light into my life.
