

## John Carl Biancolli

November 22, 1949 - April 4, 2020

John Carl Biancolli, 70, of Baldwin, MD and formerly of Hagerstown, MD and Waynesboro, PA, died on April 4, 2020 from liver cancer.

He was born on November 22, 1949 in Queens, NY. John attended St. Helena's High School and received a BA in History from Queens College. John married Patricia Ellen Varry on July 13, 1975. John was a partner in Phoenix Color Corp. since its inception in 1979 and worked there until he took an early retirement in 2011.

John and Patricia enjoyed traveling the world and especially enjoyed recent trips to Australia, Hawaii, and Antarctica. One of their favorite places to visit was Disney World where they held Annual Passes and enjoyed spending time with their children and grandchildren. John loved cars, motorcycles, science fiction movies, and gadgets of all kinds. Although a man of few words, he showed his love with his actions – always being there when family or friends needed him. He will be deeply missed.

He is survived by his wife, Patricia; his children, Dani Biancolli of Baldwin, MD and Jaclyn Biancolli Libby of Urbana, MD; and his grandchildren, Abby Libby, Ellie Biancolli, and Alex Libby.

A memorial service will be held at a later date. In lieu of flowers, please consider a donation to St. Jude Children's Research Hospital.

“ *Words cannot express the pain and sorrow you are experiencing with the loss of John, a truly good man all around - husband, father, grandfather and dear friend of many. There are not many couples where both the husbands and wives are really friends. We were unique. When we first started getting to know each other, we found out that our husbands both went to Army Reserve duty at Fort Totten every other Saturday. It made for a perfect easy friendship, both of us living in Queens, then both moving to NJ. We had lots of fun visiting each other in our apartments and homes. Although another move made it harder to visit, it never broke the strong bonds that had been formed. May you revisit all your memories with fondness. We have all been truly blessed to have had this man in our lives. With affection, Janet De Meo*

“ Dear Patti and family, I am so sorry to hear of John's passing. I know we haven't seen each other in such a long time but you and John and your family have always been close to my heart. Our parallel paths of life in many ways makes me think of our days on the faculty at Nick's together, our meeting our future spouses about the same time, our weddings just months apart, having two daughters and sharing those joyous times with you and John will always be special memories.. Even visiting with you around the corner from us the night of the big East Coast blackout, your first wedding anniversary, is among those fond memories. Our sincerest condolences, Amy & Tony Sucich
