We thought this poem was a perfect way to describe our feelings. He will be

missed very much.
God looked around His garden
And found an empty place.
He then looked
down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He saw the road
was getting rough
And the hills were hard to climb,
So He closed your weary eyelids
And whispered
'Peace be thine.'
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home."

“ *Although you will be missed by many I am happy you are with my Dad (your Brother). You were each others sidekicks and made so many people laugh with your jokes. The people at Costco will talk about you two for a long time. I will miss you calling me and saying "is this you" and I said yes "is this you". RIP Uncle Jack*
