“ *Although I never met you, I know a lot about the man that you were through your beloved daughter, Valerie. Warmth, empathy, support and caring kindness sprinkled with a sense of humor, must have been some of the attributes that you passed on to her. May you rest in peace.*

“ The best and most memorable vacation that my husband Jerry and I have ever had was spent with spent in Europe with John and Sue. It was back in 2001. We toured Scotland and John did most of the driving and asking for directions in Louisiana accent. Then we also drove through Spain and the Basque Country. Three weeks filled with adventure, fun and laughter. John was a special man and loved my sister Suzanne (sue) and took the greatest care of his family. He will be missed.
